

Tutor's feedback - Assessment:

Individual e-Portfolio Submission

Grade: 80 % (Distinction)

Graded by: Dr Doug Millward

Feedback comments:

An excellent and well-presented e-portfolio, with comprehensive evidence of knowledge and practice. The student's engagement in forums, in his team, and in the seminars was excellent. The reflection was an interesting read, and it was nice to see an action plan. My only recommendation for improvement would be to structure the action plan via SMART criteria - but this is a minor omission in an excellent submission.
